Trojan Echo
Tallulah High School
Tallulah, Louisiana

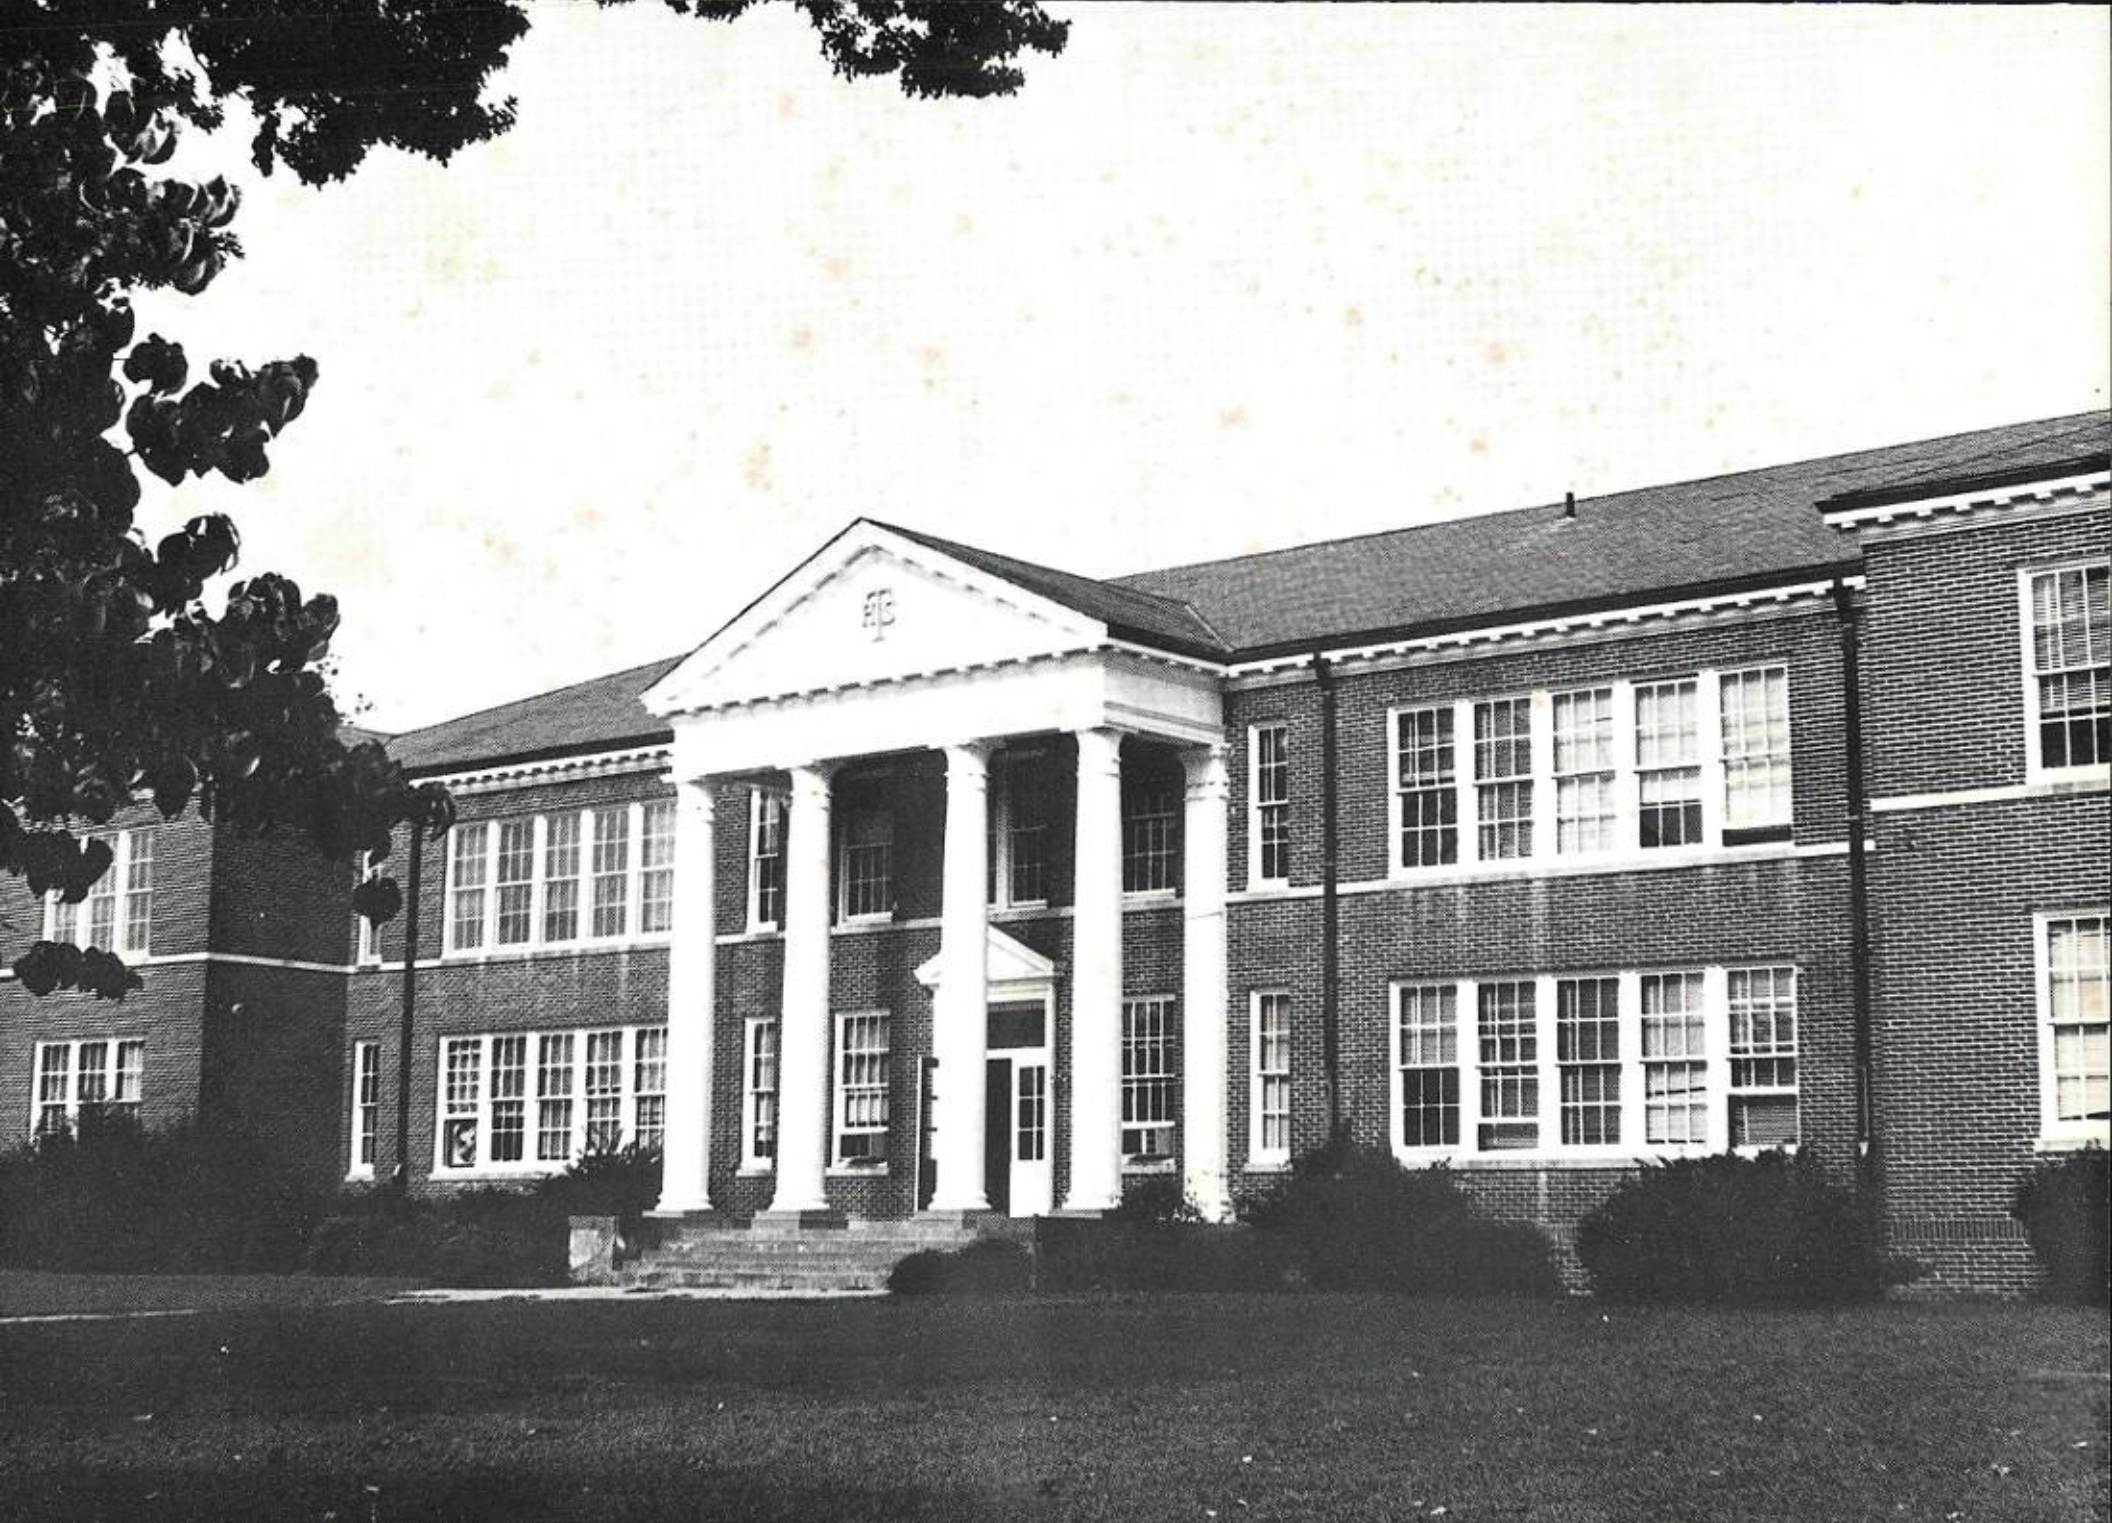

Alma Mater

*Rising from the earth so verdant
With grace and majesty,
Tallulah High to us will ever
Inspiration be.*

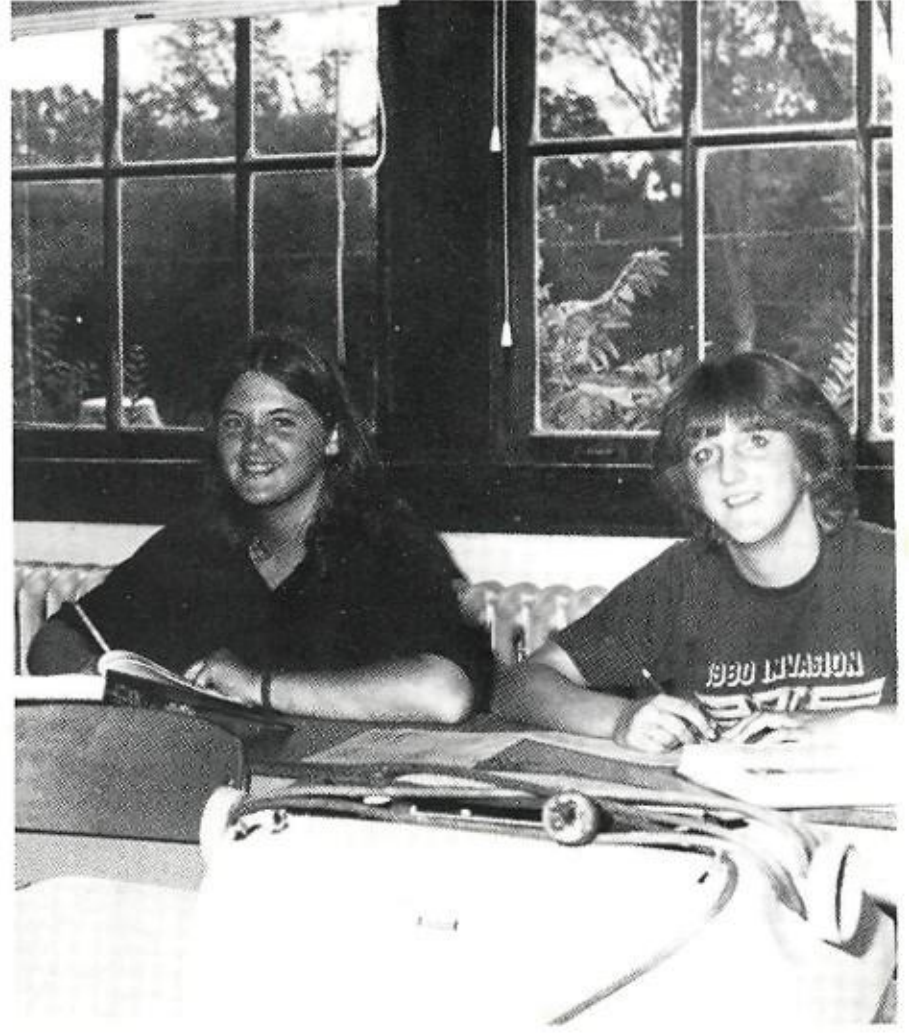

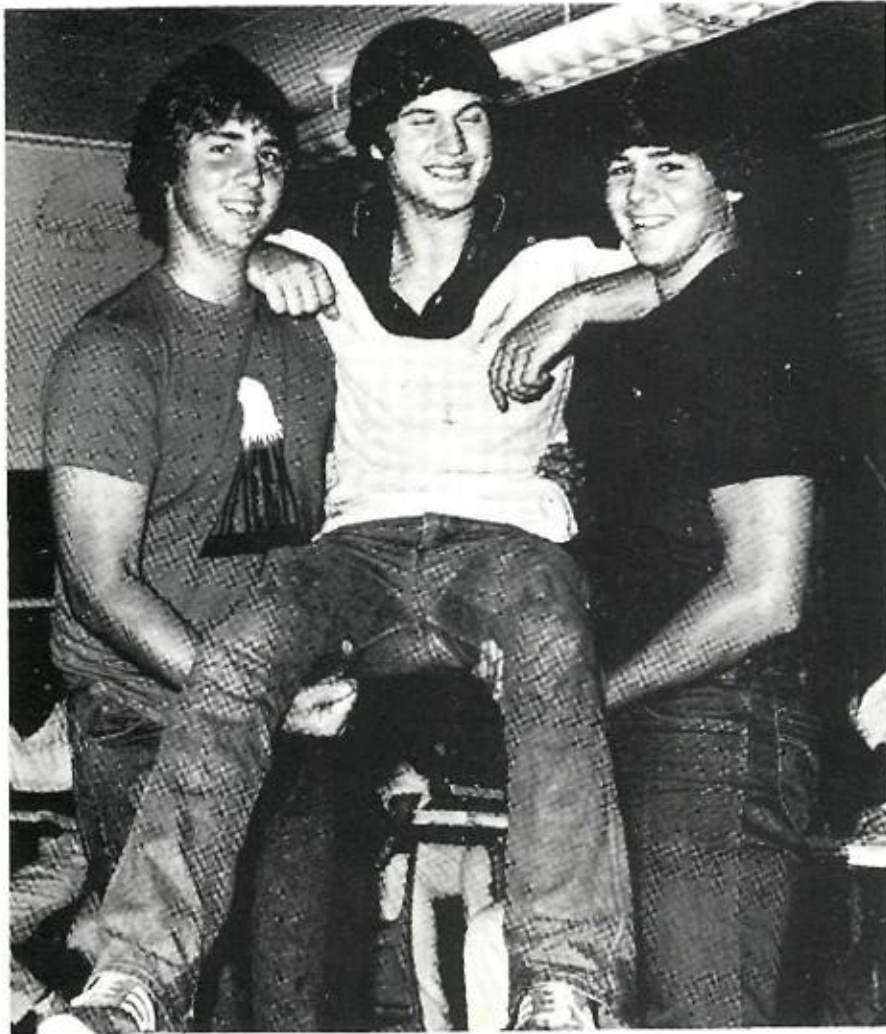

*On the shores of Brushy Bayou
Toward the rising sun,
Spring our hopes, our aspiration,
Strength for years to come.*

*Through the years of youth you guide us
To maturity,
Pointing out the path to glory
And to Victory*

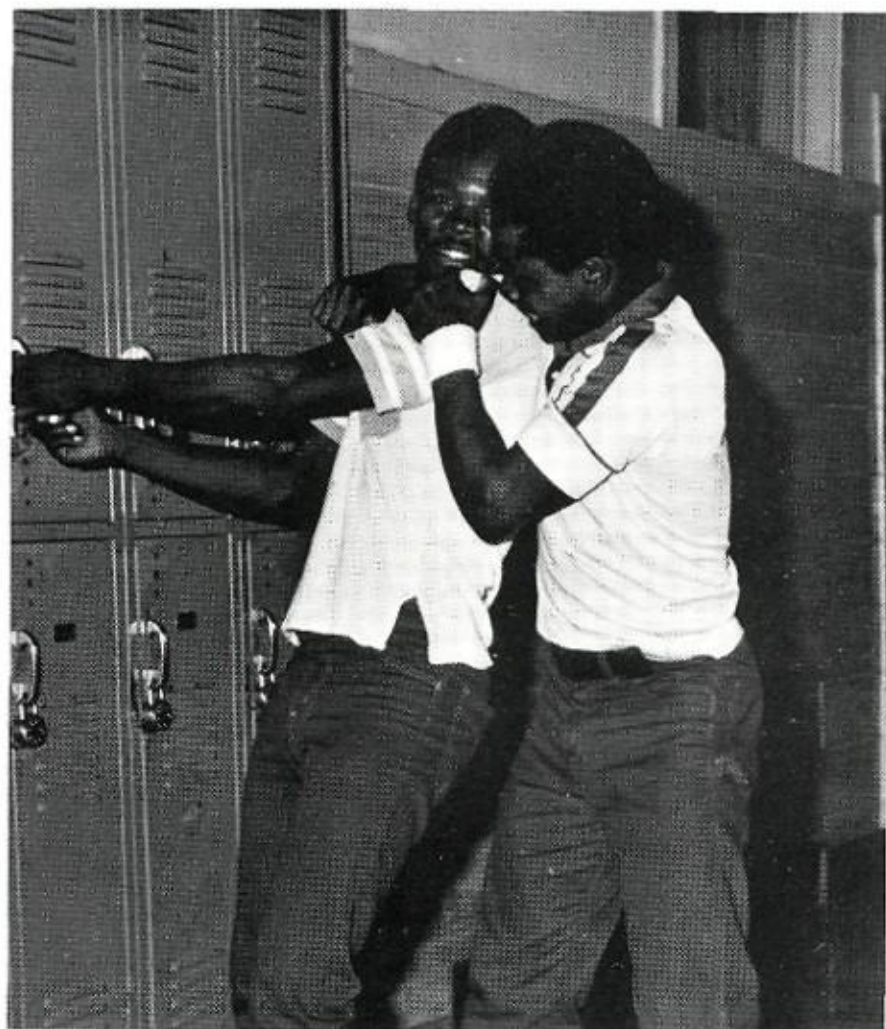

*Loyalty to thee our High School
And thy precepts fair,
On through life we'll take thy memories
As thy Torch we bear.*

Organizations

Who's Who

Jill Raley

Jill Raley's conscientious work and bright personality are two aspects that many students find inseparable from thoughts of T.H.S. Jill's hard work has been greatly appreciated by other members of the organizations who have benefited from her trustworthy character. She has served as reporter of the Allied Youth, 4-H, and American Political Society. She is also the Vice-President of her Senior Class and has worked many long hours as a member of the Rifle-Corp, in which she served as co-captain her Jr. year. Regarding her highly, the student body elected her as Most Likely to Succeed.

Harry Buckner

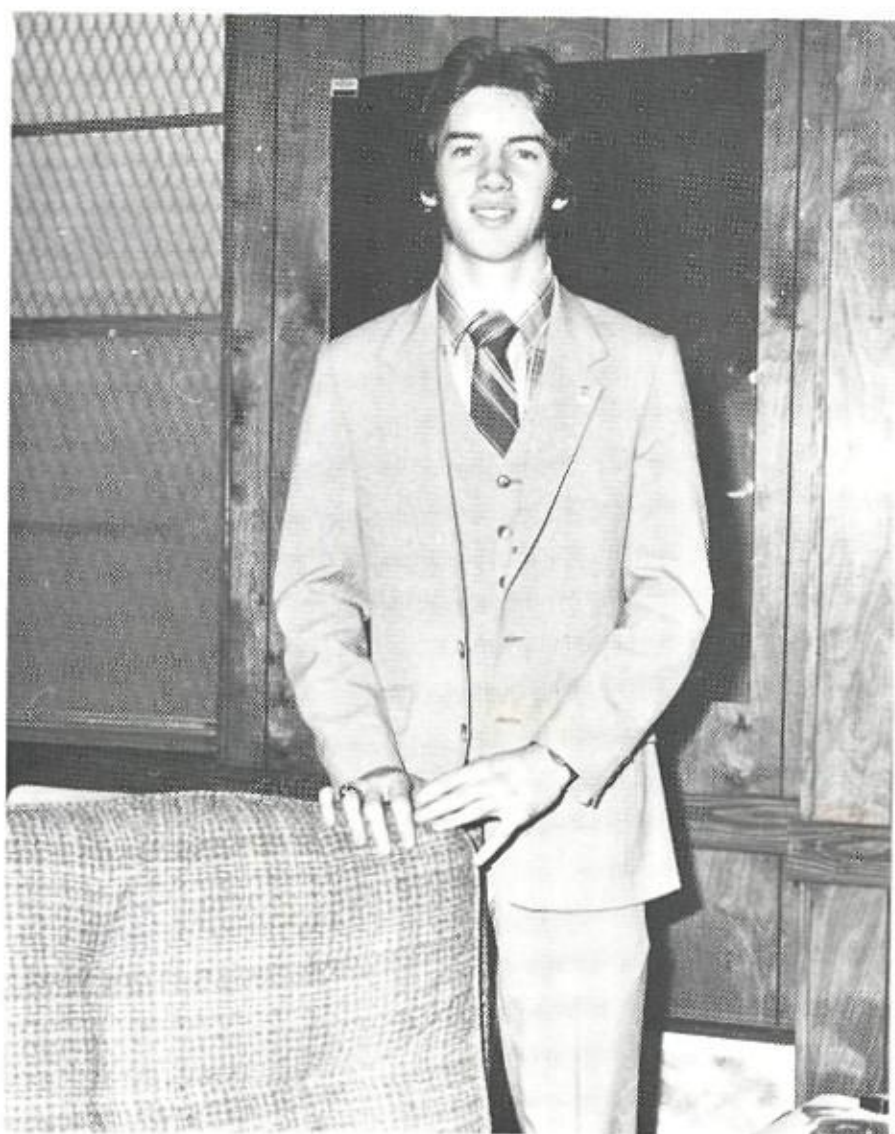

An active student at T.H.S., Harry excels both in and out of the classroom. He has shown traits of intelligence and leadership by acting as president of the American Political Society, president of Allied Youth, and has participated in the District Rally. Harry is also a member of the National Honor Society. Respected by both adults and students, he was chosen to represent T.H.S. at Boys' State. In the favorite elections, Harry was elected as Most Likely To Succeed. As one can see, Harry Buckner possesses many outstanding characteristics and is an asset to T.H.S.

Kathy Mobley

Outstanding is the word to describe Kathy. Over the past four years at T.H.S., she has excelled in every activity in which she has participated. As president of the Trojanettes, Kathy has prospered in promoting school spirit. A favorite among the students, she received the great honor of reigning as the 1981 Homecoming Queen. Kathy participates actively in the American Political Society, the National Honor Society, and the F.B.L.A. An all-around girl with varied talents, Kathy will always be a credit to T.H.S.

Dale Jones

A student with boundless energy and personality, Dale Jones has certainly proved his worth at T.H.S. He has been elected as treasurer of the National Honor Society, program committee member of the Allied Youth and band officer for three years.

Dale has participated in the Marching Band for three years and has been honored to be a member of the La. All Star Marching Band. He has represented T.H.S. at the District rally and also at Boys' State. Dale has also served as the editor and the photographer of the Trojan Echo. With his boundless energy, Dale has accomplished much to be proud of.

Pel State Students Are Outstanding

Delegates were selected in the spring of 1981 to go to Pelican State. These students spent eight days at LSU Baton Rouge. They learned about politics and government and were also able to serve in various state and parish offices. Those attending Pelican State were **Harry Buckner, Tonya Bullock, and Dale Jones.** After their stay at Baton Rouge, these students were able to understand Louisiana politics much better.

Trojan Echo Staff

The Trojan Echo Staff devotes many hours to produce the yearbook.

Heading this year's staff as editor was Mary Ann Gilfoil. Tracey Jones served as Layout Manager; Laura Folk served as Business Manager; and Dale Jones and Andre Jackson served as Photographers. Serving as our Advisor was Mrs. Lou Ann Jones.

Many hours are
spent working . . .

Some are spent
having fun . . .

On the other hand,
some are spent resting . . .

Some are spent
clowning around.

National Honor Society

Membership in the National Honor Society has become recognized nationally as one of the highest honors bestowed upon a high school student.

These students, representing 15% of the senior class and 10% of the junior class, were selected for their leadership, scholarship, service, and character.

Allied Youth

The purpose of Allied Youth is to present informative programs on the evils of alcohol, tobacco, marijuana, and other deadly drugs. It stresses the importance of the fact that teenagers can have fun without the use of "deadly crutches."

Industrial Arts

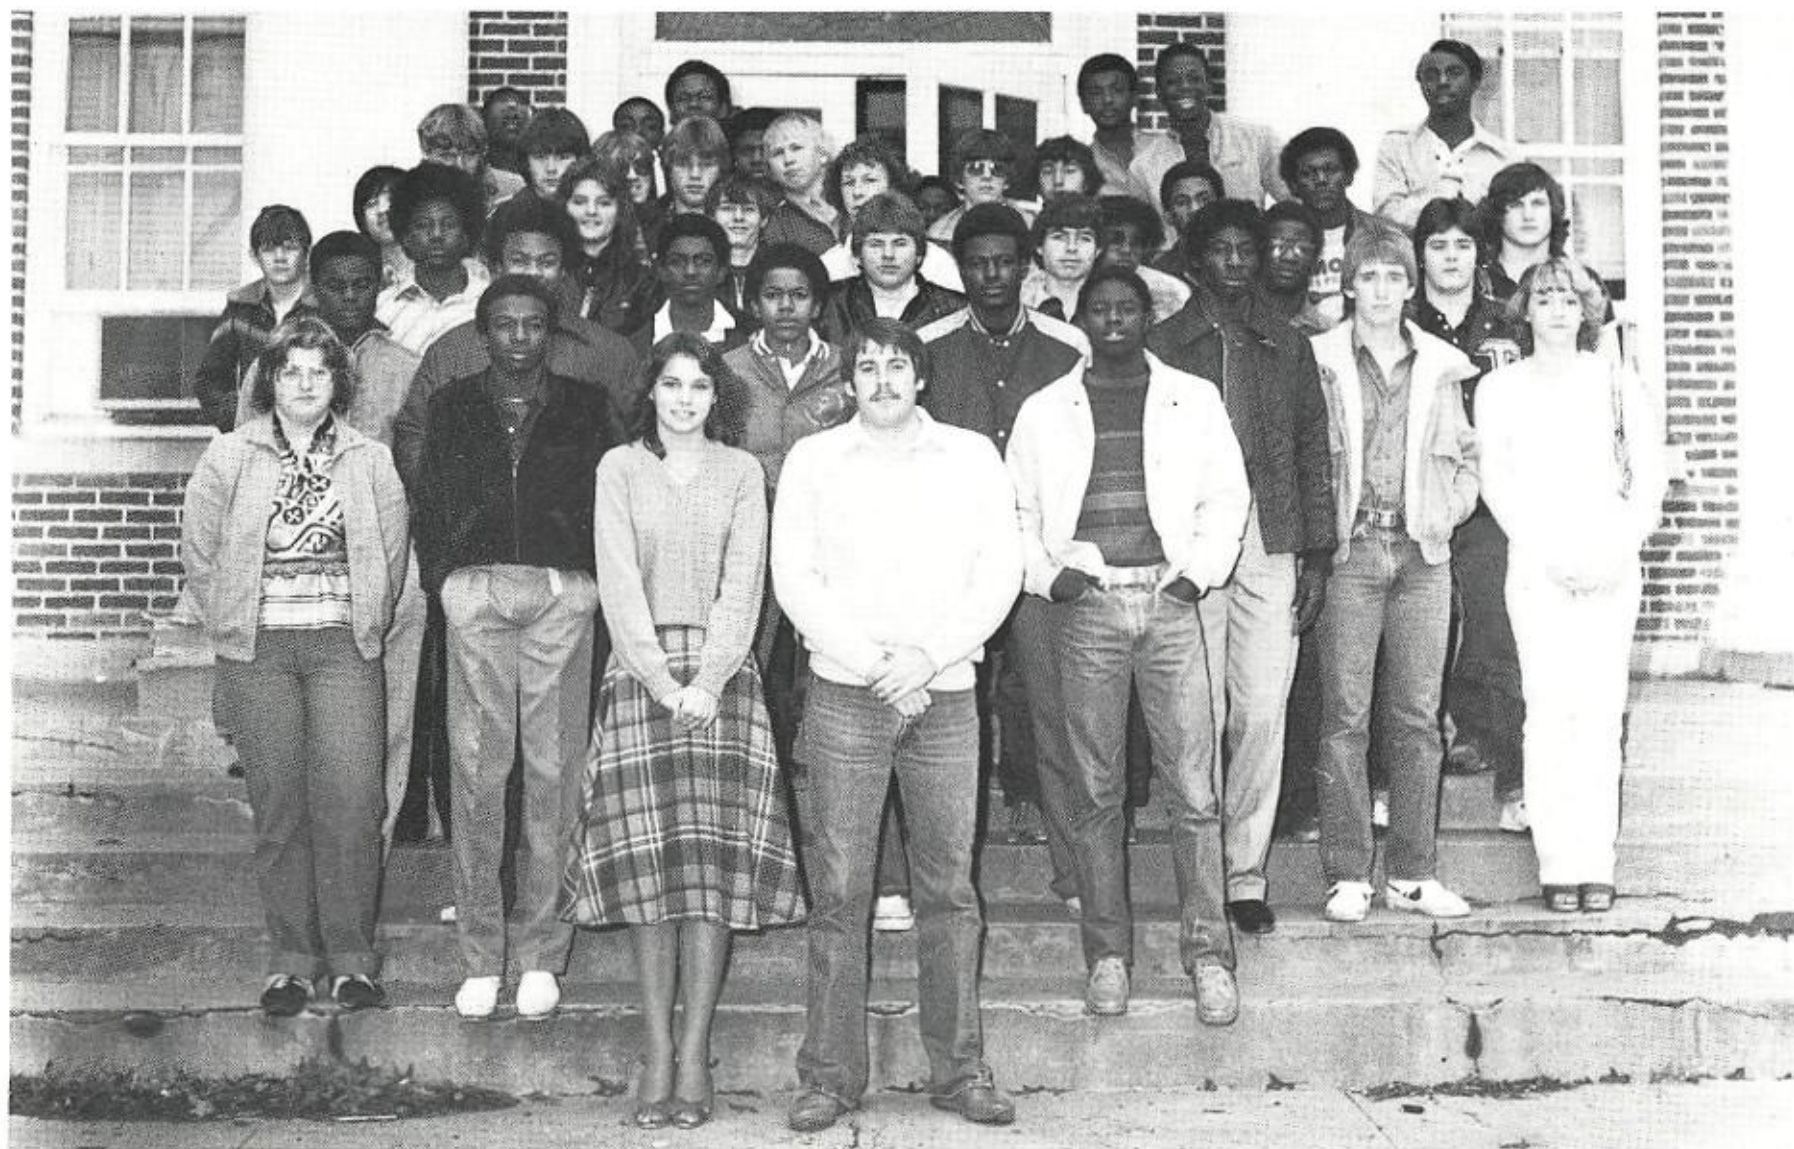

The Industrial Arts Club is open to students who have taken a course in industrial arts. Its goal is to provide an outlet for creative woodworking.

F.
B.
